Information Disclosure Statement

Sir:

Attached is completed Form PTO-1449 and copies of the pertinent parts of the references cited thereon. Following are comments on any non-English-language references pursuant to Rule 98:

LaCroix shows a flashlight and stun gun. Cantor has deterrent spray and flashlight capabilities. Macierowski has a flashlight, baton and pepper spray built into one unit. These units will be beneficial to an officer who chooses them over a one dimensional tool.

However, the multifunctional law enforcement tool combines a flashlight, stun gun, deterrent spray, deterrent spray taser, laser sights and glass breaker with the ability to use many different non lethal and tactical cartridges in its cartridge housings. This allows an officer many more options quickly available while keeping his gun hand free.

Very respectfully,

Applicant(s): \_\_\_\_\_
